

01 Mixed Age Play Area:

Range of play equipment for mixed aged group including Climbing Tower with slide, Multi Bay Swing, Multi-age, Spring Rocker, Climbing Wall, along with Weave Poles, Over and Under Bars for active play..

02 Junior Play Area:

Proposed junior area with Multi play Unit, Excavator Sand Digger, and adequate seating with direct accessible access from entrance

03 Picnic Area:

Grassed open area surrounded with existing and proposed shade trees, that provide ideal passive space for picnics.

04 & 05 Meadow Planting

Proposed native meadow planting enhances the southern end of the park with sensory path under the vine clad timber arbour

06 Picnic Shelter

Central picnic shelter with picnic settings and single plate BBQ

07 Grass Mound Play Area

Proposed grass mound buffer along the northern boundary provides additional sensory play area adjacent to the junior play area and picnic shelter.

08 Open Space

Passive open space along the central concrete path with shade trees and seats

09 Existing Picnic

Relocated to the proposed location 09 as shown on the layout.

10 Typical Australian Native Planting

Proposed Jim Parkes Reserve Playspace Upgrade

4-6 Souter St, Beaconsfield VIC 3807
