

Cardinia Shire Council

Immunisation Schedule 2024

Cardinia Shire Council provides immunisation sessions at various venues in the shire each month. This is a free service for children, adolescents and adults who are eligible for vaccines under the NATIONAL IMMUNISATION PROGRAM.

Bookings can be made at www.cardinia.vic.gov.au/immunisations. While walk ins will still be accepted, we recommend booking your session as this will reduce wait times and assist with social distancing.

For more information, contact Council's Immunisation team on 1300 787 624 or email mail@cardinia.vic.gov.au

Important information

What to bring to your immunisation session:

- Your Child Health Record Book – Immunisation records which will enable quick access to all your child’s details
- Medicare card
- Your child’s comfort device or special toy (if needed)

Following all vaccinations, we recommended you wait for 15 minutes before leaving, just to check for possible reactions.

If your child has been ill, please seek advice from your family doctor about whether it is appropriate for them to attend an immunisation session.

Your child’s immunisation records will be forwarded to the Australian Immunisation Register (AIR). This data base is used to process school entry immunisation records and family allowance relating to immunisation.
